

INSTRUCTIONS

Castle Pen Pot

You will need: paint, paint brushes, 2 toilet roll tubes, a kitchen roll tube, template, scissors, glue, cocktail stick, pens/pencils, sticky tape, card.

Cut squares out of the top of the 2 toilet roll tubes.

Paint the all 3 tubes in your choice of castle colour.

Cut out the template base and stick to card to thicken it or use as a template and draw round it onto card, cut the card and paint it.

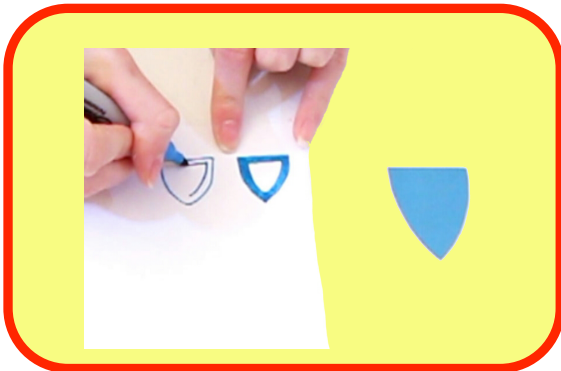

Colour and cut out the circle template and curl it into a cone and secure it with tape.

INSTRUCTIONS

Castle Pen Pot

Insert a cocktail stick in the top. Colour and stick the flag template to the other end of the cocktail stick with tape. Stick the cone to the top of the kitchen roll tube.

Colour the 3 windows and door templates or draw your own, and cut them out.

Stick a window to each tube and the door to the bottom of the kitchen roll tube. Use glue or tape to stick the kitchen roll tube to the middle of the base.

Stick the toilet roll tubes to both sides of the kitchen roll tube, and secure to the base with glue or tape. Add some pens and pencils!
