

INSTRUCTIONS

Climbing Monkey

You will need: toilet roll tube, kitchen roll tube, template, pipe cleaner, paint, paint brush, scissors, pens/pencils, glue, tape.

Paint the toilet roll tube brown. Cut out the template and draw round it onto the tube. Cut along the lines. Or colour the template and stick to the tube. Then cut along the lines.

Colour and cut out the monkey face. (You could stick googly eyes over the template eyes).

Stick a pipe cleaner to the bottom of the monkey and curl it to be a tail.

Colour the leaves template and stick to the kitchen roll tube with glue or tape. Slide the monkey onto the bottom of the kitchen roll tube to climb the tree.
